

You're Invited to Hart Academy's Annual Holiday Open House

When: During your student's class time
December 8-21, 2017

(See below to determine which week is your open house)

What is the holiday open house?

This is the opportunity to see what your children have been learning over the last couple months. Family and friends are invited to sit in class and watch their child go through their normal lessons. Toward the end of class, the students will perform a holiday number. No costume is needed for open house; however, teachers may ask your child to wear a certain color to show holiday spirit. Ask your child's teacher for special instructions regarding attire, refreshments and treats as it gets closer to the event.

Who: Not all classes participate in Open House**

The following classes will be participating:

Class, Day and Time	Date of Open House
